AUTHORIZATION & ACKNOWLEDGMENT

I understand and do hereby acknowledge that, if hired, my employment will be terminable-at-will. This means that my employment will be subject to termination by me or by my employer at any time, for any reason, with or without cause or prior notice.

By signing below, I authorize Tenacre to contact my previous employers and/or other persons who may have knowledge about me. I authorize a thorough investigation of my past employment and activities and agree to cooperate in such investigation. In furtherance of that investigation, I have signed the attached "Authorization to Obtain Investigation Reports." To encourage candor and cooperation by persons and employers who may be contacted by Tenacre, I authorize such persons and employers to communicate with Tenacre, and I release them from any liability to me for doing so. I authorize Tenacre to show this authorization to persons and employers it contacts. I acknowledge that in responding to Tenacre's questions, those persons and employers can rely on my representations in this paragraph.

I also understand that a pure and harmonious mental atmosphere is vitally important to fulfilling Tenacre's religious purpose. This means, among other things, that all employees work cooperatively and quietly together and speak kindly to everyone, that profanity is not used anywhere on Tenacre's campus, and that smoking is not permitted when on duty or outside of designated smoking areas.

I understand that intentional falsehoods or inaccuracies on this application may mean my immediate disqualification from consideration for any employment at Tenacre (or my dismissal, if discovered after hiring). Accordingly, I hereby certify that all the information I have given is true and complete.

AUTHORIZATION TO OBTAIN INVESTIGATION REPORTS

I hereby authorize Tenacre to obtain any investigation reports on me in connection with my application for employment and/or at any time during my employment with Tenacre if I am hired. I understand that such reports will be used for employment purposes including, but not limited to, hiring, reassignment, promotion, retention, and rehiring.

I have received, read and understand the attached Notice and Disclosure explaining that such investigation reports may include information concerning my creditworthiness, credit standing, credit capacity, character, general reputation, personal characteristics, and/or mode of living. I understand that information may be obtained from personal interviews with professional and personal acquaintances.

I understand that Tenacre and its agents are not responsible for the accuracy or completeness of the information contained in investigation reports. I release Tenacre and its agents from all liability, claims, and lawsuits with respect to the information obtained and used by Tenacre.

FAIR CREDIT REPORTING ACTS NOTICE AND DISCLOSURE

Tenacre may obtain investigation reports about an applicant in connection with an application for employment. Tenacre may also obtain such reports at anytime during an employee's employment with Tenacre. Information gathered through such investigations is used for employment purposes including, but not limited to, hiring, reassignment, promotion, retention, and rehiring.

An investigation report may include information concerning creditworthiness, credit standing, credit capacity, character, general reputation, personal characteristics, and/or mode of living. Examples of investigation reports include, but are not limited to, criminal background reports, motor vehicle driving records, credit histories, reference checks, verification of education or past employment, and investigations into theft, fraud, harassment and work place violence. This information may be obtained from personal interviews with professional and personal acquaintances. With the exception of investigations into suspected misconduct of Tenacre employees, an applicant or employee has the right to request in writing, within a reasonable period of time, a complete disclosure of the nature and scope of an investigation involving personal interviews.

Because errors can occur, an applicant deemed ineligible for employment as a consequence of an investigation report will receive notice of this fact. It will be the applicant's responsibility to contact the source of the information and to correct any errors. Tenacre accepts no responsibility for the accuracy of information contained in investigation reports. Tenacre is under no obligation to test the accuracy of such information, or to postpone an employment decision to permit an applicant an opportunity to challenge information, or to seek to correct it.

This Notice and Disclosure is made pursuant to the federal Fair Credit Reporting Act (FCRA). The FCRA is designed to promote the accuracy, fairness, and privacy of information maintained in the files of a Consumer Reporting Agency (CRA). Most CRAs are credit bureaus that gather and sell information about consumers – such as whether a consumer pays bills on time or has filed bankruptcy – to creditors, employers, landlords, and other business. Because employee background checks sometimes use information from CRAs, the FCRA is sometimes applicable to employers. The complete text of the FCRA, 15 USC Section 1681-1681u, and a description of a consumer's right under the FCRA are available at the Federal Trade Commission's Web site <http://www.ftc.gov>.
