

Nurturing Mothers and Families

May 4-8, 2020

Instructor: Lynne Scheiern

Tenacre — Princeton, New Jersey

This class for Christian Science nurses will provide insights into supporting a mother and her family throughout pregnancy, labor, and beyond. It will include: *

- *Study about babies and birth in their spiritual light*
- *Practical application of spiritual ideas in providing loving, supportive, and proper care for the entire family*

Tuition: \$300 (includes up to six nights' accommodations)

*For more information and to apply, visit the
"Christian Science Nursing Courses" page at tenacre.org.*
